

PRICE LIST 2019

Le Tre Vaselle Resort & SPA, a resort in which everything recalls grapes and wine, could not miss a space dedicated to relax and well-being, inspired by wine in all of its forms: the **“BellaUve winetherapy SPA”** is a wellness centre different from the others, starting from its own name, throughout its inspirational colours, up to the particular architectural form which, with its winding lines, recalls the bunch of grapes.

BellaUve winetherapy SPA invites you to a multisensory relax, while being pampered by our treatments, with the wine speaking to you across aphorisms hand-painted on the ceiling. Together with wine related treatments, during some season is possible to include others excellent Umbrian products such as the extra virgin olive oil or truffle and chocolate.
